

## Health and Homelessness

- SWB CCG is committed to addressing the barriers that prevent people who are homeless from having equitable access to health services and health outcomes.
- SWB CCG will collaborate with partners to influence the wider determinants of health which prevent people who are homeless from living healthy, happy and fulfilling lives.
- SWB CCG has joint commissioning arrangements in place with BSOL CCG for Mental Health, Learning disability, Children and Homeless services. Further information will be available from BSOL CCG.
- SWBCCG is lead commissioner for health services to asylum seekers in Home Office initial accommodation (IA) in Birmingham and is committed to collaborating with partners to minimise the risk of homelessness and destitution across the asylum pathway.
