Exempt information Schedule 12A of the Local Government Act 1972 (as amended) paragraph 3. Information relating to the financial or business affairs of any particular person (including the council) Exempt Appendices 2, 3, 4 and 5 contain sensitive commercial information on the purchase price and valuation and terms.		

1 Executive Summary

- 1.1 This report seeks authority for the sale of the Council owned industrial premises at Brickfield Road and Kiln Lane, Hay Mills, Birmingham B25 8HF, to the current occupier.
- 1.2 The subject site has an area of approximately 0.60 acres and is shown edged bold on the attached plan at Appendix 1.
- 1.3 The report seeks authority under the delegation in paragraph 3.2 (xi) of part E of the Constitution, for the approval of acquisitions and disposals from the Investment Property Portfolio to the Leader and Cabinet Member for Finance and Resources, jointly with Director – Inclusive Growth, City Finance Officer and the City Solicitor (or their delegates) up to a limit of £25m in any one transaction.
- 1.4 The recommendations contained in this report and Exempt Appendix 3 are fully in line with the Council's wider ambitions and plans for inclusive growth and financial stability. The recommendations are in compliance with the Birmingham City Council Plan and Budget 2018-2022 and the Property Strategy.
- 1.5 Options for this site have been fully considered and the sale of the site provides the best outcomes for the city as detailed in the Exempt Appendix 2 and 3.

2 Recommendations:

- 2.1 Authorise the Assistant Director of Property to conclude an unconditional sale of the Council owned site at Brickfield Road/Kiln Lane, Hay Mills, Birmingham B25 8HF as shown edged bold on attached plan at Appendix 1 and extending to 0.60 acres, to the occupying tenant for a premium as detailed in Exempt Appendix 2.
- 2.2 The purchaser will also pay a contribution towards the Council's surveyor's and legal costs, as detailed in Exempt Appendix 2.
- 2.3 Authorise the City Solicitor to prepare, negotiate, execute and complete all relevant legal documentation to give effect to the above.

3 Background

- 3.1 The subject site is currently held within the Council's Commercial Portfolio and sited within a locality of industrial uses. The site is an open surfaced area, previously used for car parking and chemical tank storage. The site has derelict/part demolished industrial units to the rear with poor quality industrial sites opposite (mostly dealing scrap reclamation).
- 3.2 The site is owned freehold by the City Council with the various units currently let under a 25 year agreement to the current occupying tenant commencing in 2018.
- 3.3 The premises have been analysed by our appointed external agents (Avison Young) in line with both the Property Strategy (approved by Cabinet in 2018) and the Investment Strategy (approved by Cabinet in 2019) and the site has been identified as an asset the City Council should consider disposing of due to the risk of future degeneration requiring increased estate management input and anticipated significant capital outlay, thus reducing net income. In addition, the current state of the market is strong and providing positive returns. The property has a current gross rental income of £0.0215m per annum.

- 3.4 In accordance with agreed process, Avison Young (on behalf of the City Council) have offered and negotiated terms with the current lessee for the sale of the Council's freehold interest in the site.
- 3.5 The outcome of the negotiations and recommendations for sale are detailed in Exempt Appendix 2.
- 3.6 Under the terms of an unconditional sale, the purchaser will be required to proceed to exchange of contracts and completion within 28 days from receipt of draft contracts.
- 3.7 The proposed sale represents best consideration and has been validated as such by the Assistant Director of Property based upon analysis of the bidder's proposals and taking into consideration the Council's Property Strategy and wider aspirations and ambitions for the city. The offer represents the least risk to the Council in terms of deliverability and overall conditionality.
- 3.8 The City Council Financial Plan 2020-2024 and Financial Plan 2021-2025 approved in February 2021 approved the flexible use of capital receipts to support the transformation programme and it is proposed that the receipts from this disposal be allocated to support this programme.

4 Options Considered and Recommended Proposal

- 4.1 **Option 1 - Do Nothing.** The Council is under no obligation to proceed with the proposal and would suffer no reputational consequences if it did not proceed. It would not, however, be in line with the aims of the Property Strategy or the external advice obtained to support delivery of the Strategy. The negotiated capital receipt would not be realised at this time, and therefore would not be made available to help fund the City Council's transformation programme and there would be no guarantee of a future opportunity.

The site is not allocated, nor does it have planning consent for an alternative use and is therefore not an immediate development opportunity. The property does not have an obvious alternative use which would benefit the Council.

- 4.2 **Option 2 – Dispose of the Property to Council Wholly Owned Company (WOC).** The site is not deemed to be of a strategic value to the Council or a significant development opportunity such that it would wish to retain overall control of the asset through transfer into a WOC. In addition, the income is considered a high-risk factor due to the short nature of the agreements and level of rental providing a barrier for growth. Large scale capital expenditure is likely to be needed in the future to maintain the integrity and marketability which would significantly reduce the net income from the estate which would not be realized by proportionate increases in rental levels.
- 4.3 **Option 3 – Property Retained for Reuse and/or Development by the Council.** In accordance with the Council's property procedures, the property prior to being offered for sale, has been considered for potential internal reuse, and/or development by the Council to support its business priorities but is deemed financially unviable due to the high costs associated with being able to provide vacant possession and the likely land decontamination costs that would be encountered before any use/development could be considered and has therefore been disregarded as an option.

4.4 Option 4 – Proceed with Agreed Transaction. It is recommended to proceed with the transaction outlined in this report, in line with the aims of the Property Strategy and the external advice obtained to support delivery of the Strategy, in order to deliver a capital receipt to fund the Council's transformation programme and remove the Council management obligation and risk.

5. Consultation

5.1 The Property Investment Board comprising officers from Property Services, Finance and Legal recommends proceeding with the transaction.

5.2 The transaction is also recommended by appointed external agent Avison Young – see Recommendation Report at Exempt Appendix 3.

5.3 Tyseley and Hay Mills ward members have been notified of the proposed sale of this property.

5.4 No external consultation is necessary for this commercial transaction.

6. Risk Management

6.1 To meet the expectations of the prevailing property market, the Council has committed to deliver this sale in accordance with delivery milestones set out in the particulars of sale. Adherence to these milestones will ensure a sale receipt being realised during Financial Year 2021/2022.

6.2 The 'risk' of not proceeding could only be seen in terms of a lost opportunity to generate a capital receipt via the sale income and a missed opportunity to ensure the redevelopment of alternative sites linked to this transaction. It would leave the City Council open to an increased risk to net income due to the need for future maintenance investment making the site more resource intensive (in both financial and time aspects) going forward.

7. Compliance Issues:

7.1.1 The proposed sale transaction and generation of a capital receipt supports the Financial Plan 2021-2025 by generating resources and thus helping to achieve a balanced budget.

7.1.2 It is consistent with Birmingham City Council Plan and Budget 2018-2022 (2019 update) priorities as the additional income helps the Council to meet the aspirations to be an entrepreneurial city to learn, work and invest in – an aspirational city to grow up in, a fulfilling city to age well in, a great city to live in, a city where residents gain the most from hosting the Commonwealth Games and a city that takes a leading role in tackling climate change.

7.1.3 It supports the aims set out in both the Birmingham Property Strategy 2018-2023. decisions.

7.2 Legal Implications

7.2.1 Sections 120 - 123 of the Local Government Act 1972 authorise the Council to acquire, appropriate and dispose of land. The disposal power in Section 123 of the Local Government Act 1972 is subject to the best consideration test. The Assistant Director of Property has confirmed that the recommended sale, as detailed in Exempt Appendix 2

represents best consideration and satisfies the Council's obligations, under Section 123 of the Local Government Act 1972.

- 7.2.2 Section 1 of the Localism Act 2011 contains the Council's general power of competence, which is circumscribed only to the extent of any applicable pre-commencement restrictions and any specific post-commencement statutory restriction of the power, and Section 111 of the Local Government Act 1972 contains the Council's ancillary financial and expenditure powers in relation to the discharge of its functions including the disposal and acquisition of property.
- 7.2.3 The Local Government Act 2003 and guidance issued under it authorises the Council's investment management functions
- 7.2.4 Exempt information: Schedule 12A of the Local Government Act 1972 (as amended) paragraph 3. Information relating to the financial or business affairs of any particular person (including the Council). Exempt Appendices 2, 3, 4 and 5 are considered to be in the public interest to treat as exempt information as they contain commercially sensitive information of a financial or business nature, which if disclosed to the public could be prejudicial to a named person, individual or company.
- 7.2.5 The Council's in-house Legal team will complete all legal matters associated with the transaction.

7.3 Financial Implications

- 7.3.1 The transaction will generate a capital receipt for the Council, as set out in Exempt Appendix 2. The capital receipt will be available to fund the City Council's transformation programme, in line with the Financial Plan 2021-2025 approved in February 2021, providing resources to support delivery of a balanced budget.
- 7.3.2 The site currently generates a rental income of £0.0215m per annum which will be lost to the City Council. This income forms part of the existing Property Services income budget and the loss of income will be mitigated on a one-off basis in 2021/22 from corporate resources and factored in on an ongoing basis with effect from 2022/23 as part of the City Council rolling Medium Term Financial Plan (MTFP) refresh.
- 7.3.3 The site is currently let on at 25 year lease agreement, reaching its natural expiry date in 2043. If the City Council is to retain the site, significant expense will be incurred in respect of future repair and maintenance work. There are additional holding costs related to this asset for the cost of Council officer time incurred in managing the estates as part of the wider city centre portfolio of properties and not specifically recorded or measured.
- 7.3.4 The purchaser will pay a contribution towards the Council's professional costs related to the disposal as detailed in Exempt Appendix 2.
- 7.3.5 The purchase price is subject to VAT.

7.4 Human Resources Implications

- 7.4.1 Internal resources are used to evaluate and execute the transaction and external consultants have been used to provide an independent assessment of value and sale recommendation.

7.5 Public Sector Equality Duty

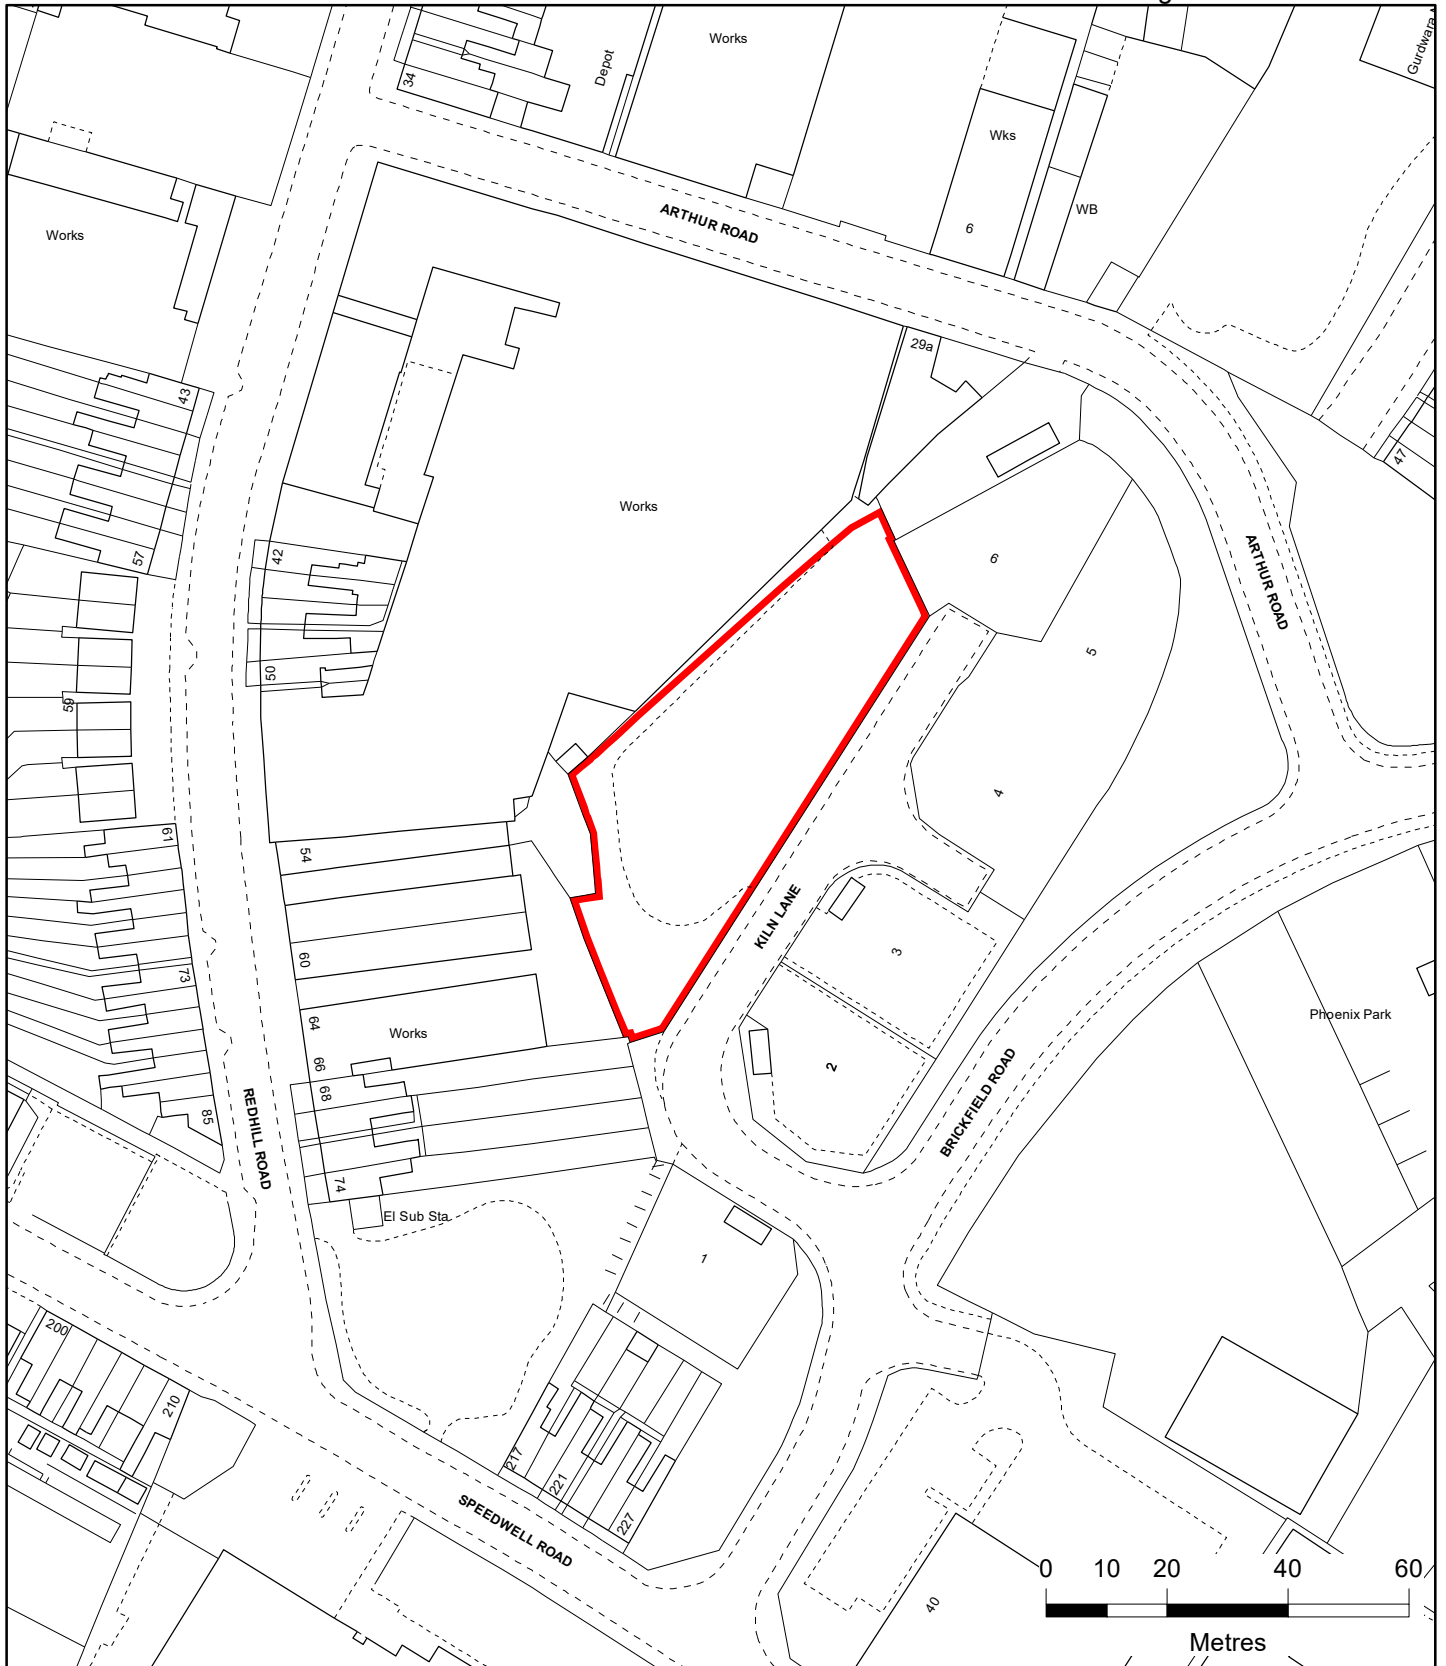

- 7.5.1 An Equality Assessment has been carried out EQUA599 dated 26th November 2020 and is attached at Appendix 5. This identifies no adverse impacts on any groups protected under the Equality Act 2010.

8. Appendices

Consultation analysis

Adverse impact on any people with protected characteristics.

Could the policy/proposal be modified to reduce or eliminate any adverse impact?

How will the effect(s) of this policy/proposal on equality be monitored?

What data is required in the future?

Are there any adverse impacts on any particular group(s) **No**

If yes, please explain your reasons for going ahead.

Initial equality impact assessment of your proposal

The proposal seeks to dispose of the lease and freehold for the site at Brickfield Road/Kiln Lane to the current occupier of the premises (Cilldara Group, Redhill Road Limited) and holder of the lease term interest in exchange for a premium paid to the Council.

The site will enable inclusion into a major development scheme for the area.

Consulted People or Groups

Informed People or Groups

Summary and evidence of findings from your EIA

The Property Investment Board comprising officers from Property Services, Finance and Legal recommends proceeding with the transaction.

The transaction is also recommended by independent external valour Alison Young.

The disposal for a capital receipt supports the Financial Plan 2019-2023 by generating resources and thus helping to achieve a balanced budget. This will secure redevelopment of the site and the surrounding area and a capital receipt for the Council.

This transaction will take the form of a disposal of the existing lease and

freehold enabling the tenant to redevelop the site and consolidate his business operation at the adjoining premises. This opportunity will also support members of the community in the regeneration of the area and creating economic growth to employment and jobs.

By implication there are no issues which impact negatively and therefore a full equality assessment is not required at this stage.
