| Informed People or Groups  |   |
| Summary and evidence of findings from your EIA                                     | <p>The Green Homes Grants (GHG) Local Authority Delivery (LAD) Phase 2 Cabinet report details improvements to be delivered to Council, private rented and owner occupier properties based on priorities identified in this equality assessment.</p> <p>Equality assessment has considered the impact of the programme on protected characteristics. Through this process we have determined that no persons are adversely affected because investment is based on property condition and not the customer.</p> <p>Consideration has been given to take account of disabled persons disabilities, even where that involves treating disabled persons more favourably than other persons. Improvements are carried out based on the property condition and energy efficiency. Once a property has been identified and included in our programme, detailed assessment of a customer's needs is undertaken. This means that some customer groups may receive additional support based on their appropriate needs.</p> |
