Subject: (Paul) License application - Jamaica Expats Association CIC

Dear Licensing

West Midlands Police are in receipt of the new premise licence submitted by the Jamaica Expat Association CIC. After careful consideration West Midlands Police object to this application on the grounds of crime and disorder and public safety. The applicant for this event was part of an event that took place in the same location last year. This event went through various Sag meetings and numerous reassurances were given to assist in the safe running of this event.

On the day of the event West Midlands Police officers who were in attendance as part of the local patrols, found deficiencies in what had been promised to what was being delivered. This lead to West Midlands Police officers becoming heavily involved in the running of this event on the day, which should not have happened. Officers struggled to get hold of the organisers, who were refusing to answer phone calls or return calls that were being made to them. Officers witnessed traffic congestion, alcohol getting into the venue, wristbands being passed from person to person, inaccurate numbers of people being recorded as being inside the location.

West Midlands Police officers had to assist with the security and safety of this event and officers had to be retained on duty and others brought into the area to assist.

West Midlands Police are not reassured that the measures that have been included in the application will be implemented to an extent that the crime and disorder and public safety objectives will be promoted.

West Midlands Police therefore object to this application and ask for a hearing to be arranged.

Trading Standards Concerns

As the Chief Inspector of Weights and Measures I am able to make representations regarding the application of Mr Clifton Cameron, Director of Jamaica Expat Association CIC for the use of Handsworth Park for the 55th Jamaica Independence Celebration 2017.

Mr Cameron was heavily involved in the running of the event in 2016. There were a number of issues raised through the SAG process which were as a result of a poorly managed event.

Trading Standards also received a complaint regarding the way in which a complaint was dealt with which led to verbal altercations by security staff and event staff did not have control when dealing with the matter.

In view of matters raised and the current application I would make the following comments and ask for further information and assurances that these matters, under the licensing objectives referred to, be addressed.

I reserve the right to make representations to object to the application should such assurances not be made by 30 January 2017.

Prevention of crime and disorder

I am concerned that the security arrangements for the previous event fell very short and may have led to incidents.

Trading Standards received a complaint regarding the attitude of security staff on the day which could have resulted in the escalation of the situation that may have led to further verbal abuse and or physical abuse.

There needs to be a considered complaints procedure put in place that will deal with matters as they arise in a professional manner. This will avoid any potential for disorder arising from poorly handled complaints.

In the current application this is not referred to and I request further reassurances of the systems in place to ensure the prevention of all crime and disorder.

There was no control over the vendors/stall holders arriving. Trading Standards provides an advice pack for market stall holders that cover a range of issues. We would expect a full list of all vendors/stall holders in good time, prior to the event, to ensure that checks can be made and advice packs distributed.

Having shown a previous disregard for those attending had the potential to lead to crime in that alcohol could have been given to anyone with no control in place. The supply of alcohol to persons under eighteen is a criminal offence.

All those who sell any goods (including alcohol) should ensure that all goods are legal for sale in the UK and are fully traceable. This includes goods that are required to have excise duty paid.

Public Safety

There were concerns raised previously that require attention. The complaint made to Trading Standards also raised issues that due to the lack of supervision and leadership then public safety could have been affected.

There needs to be a clear line of command and a proper process for dealing with complaints to prevent incidents that could affect public safety.

Further information is required on how complaints will be dealt with.

The protection of children from harm

There are no provisions in the current application to ensure that age restricted products, especially Alcohol and Tobacco are not provided to persons under eighteen.

All persons engaged in the sale of alcohol should be trained in their responsibilities under the Licensing Act 2003 and other relevant legislation relating to age restricted products. A record of such training will need to be produced upon request.

A refusals book will be maintained by all sellers of age restricted products and kept on the premises/stall at all times. Staff will record all refusals of age restricted products. You shall operate a challenge 25 policy only accepting photo driving license passport or pass accredited ID card as valid proof of age.

You will need to demonstrate that there are controls in place to ensure that adults are not purchasing age restricted products and passing them to under eighteens. **This was further exacerbated last year as there were no controls on the vendors entering the event.**

All persons who wish to sell alcohol must display a challenge 25 poster requesting ID.

I look forward to hearing from you by 30 January 2017.

Dear Licensing

West Midlands Fire Service are in receipt of the new premise licence submitted by the Jamaica Expat Association CIC. After careful consideration West Midlands Fire Service object to this application on the grounds of public safety.

The applicant/Organiser held an event, which took place in the same location last year. This event went through various Sag meetings and numerous reassurances were given to assist in the safe running of this event.

On the day of the event West Midlands Fire service, attended a pre event safety inspection. Who found deficiencies in what had been promised to what was being delivered.

- The boundary fencing was not secured in the agreed manner at SAG.
- A Fire Exit was not built as agreed at SAG, a requirement for numbers.
- Caterers were allowed to enter the event arena and set up where ever they liked with no control, or vehicle searching.
- Petrol generators were allowed on site, informed at SAG this was forbidden.
- Security who were intended to ensure safety of people arriving, were not even briefed, before 09.00, when most of the traders had already entered the event.
- Inaccurate numbers of people being recorded as being inside the location.

West Midlands Fire Service are not reassured that the measures that have been included in the application will be implemented. The SAG team spent a lot of time making sure the Organiser knew his responsibilities and aiding him to deliver this event but a lot of the hard work was ignored on the day.

West Midlands Fire service therefore object to this application and ask for a hearing to be arranged.

Dear Licensing

Please see email trail below concerning the request for a License for a Jamaica Expat Association Event in Handsworth Park on 6th August 2017.

As set out below (3rd email down from me) – acting on advice from members of last year's SAG (West Midlands Police, West Midlands Fire and Rescue, Birmingham City Council Events, Birmingham City Council Safety Services, and the local Birmingham City Council Park Manager) we have refused permission for this event to take place at Handsworth Park this year.

As a Parks Service we share the concerns raised by West Midlands Police and also highlight the fact that security assurances given at SAG were not honoured or in place on the day; staff were verbally abused; staff were allegedly racially abused; no provision for cleaning the site was put in place despite assurances this would take place, and the City Council is still waiting on payment for carrying out the subsequent clean-up despite an agreed payment plan and correspondence to chase.

Birmingham City council have refused the use of the park

Dear Mr Cameron

Re: Cultural Festival 6th August 2017

Further to your Use of Parks Application to use Handsworth Park to host a Cultural Celebration on 6th August 2017, I must inform you that your application has been refused following advice received from last year's Safety Advisory Group (SAG) members that were involved in the Jamaica Independence One Love Celebration Event planning and delivery.

I understand members of the SAG gave you feedback at that event de-brief last year, and given the number and scope of issues raised, before, during and after the event there is a serious lack of confidence held by West Midlands Police, West Midlands Fire Service, and Birmingham City Council Events Section, that you would be in a position to safely co-ordinate and deliver an event of this scale at this venue.

Whilst this will not be the response you wanted can I take this opportunity to assure you that each application for Use of Parks is taken on its individual merit and that this decision today should not deter you from submitting a further application in the future for a smaller community focused event.

Handsworth Park is a compact green space that border Handsworth communities and can be access by Holley Head Road and Hinstock Road. The park is easily accessible by bus with the 73,74, 16 and 101. It's well maintain and pretty flowers display and shrubbery. Generally, it's a simple layout with few facilities. The leisure centre, cricket house with bar and playfield, a boat house and lake and the building that was used for childcare is all inside the park premises. In many ways Handsworth Park is a typical English park – modern but also ancient – medium size, flat with a little slope, a bridge over the train line, small children play area, flower beds and regularly spaced and fenced around.

These license activities are for two-day activity with two days setting up and one day pulling down.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

All the arrangements and conditions agreed by SAG De-brief on 25/08/16 will be part of the condition of this license. The event organiser has put in place all the recommendation agreed at the SAG debrief meeting.

Only Licensing objective (e) applies to the current license. The event will be promoted via social media (Twitter) Facebook, Websites), leaflets distribute to residents, on the bus advertisement and radio channels.

b) The prevention of crime and disorder

Euro Guard is contracted to provide security for the event as was stated at SAG debriefing. Throughout the event we will have 50 SIA certified security personnel who will be present on site always and a group of ten securities as backup if required. The event will be control from a central point (Event Control) which will be staffed at all time during the event.

- (1) One of the SAG de-brief recommendation which we will be putting in place is to search all vendors and vans coming into the park for contraband.
- (2) We replace Leon Security which I informed the debrief that I did before they even mention it. Euro Guard is now responsible for security.
- (3) We will be monitor the number of patrons coming into the park by ways of counting people coming into the venue in the park, which we took note of at the SAG meeting and will be putting in place for public safety.

c) Public safety

The organisers Birmingham Youth Empowerment Project and Jamaica Expat Association will maintain the safety of the public, staff and volunteers on the event site, so far as is reasonable practicable.

A high visibility Jacket or branded T-shirts will be provided volunteers and stewards as uniform which must be kept in good condition, and returned to the event management on leaving its employment as a steward. The Uniform must always be worn when on duty. The event will attract 15,000 patrons and we have address the security issue by putting in place another 20 security officers on the amount we used in 2016 to manned the event in 2017.

Stewards roles are specifically the following:

- *Stewards will provide a warm welcome to customers and treat them with courtesy and respect always.
- *Numeracy in cash handling are essential as all staff may be required to sell programmes, merchandise etc.
- *Cleaning up after event will usually be required, including picking up litter from around the perimeter of the park and designated areas i.e. Food Stall, a cleaning company will be employed to pick up the rubbish (rubber gloves can be provided).
- *Support the static security in the checking of tickets at entrance to event Area, VIP tent, Back Stage areas etc. to check that everyone has a valid ticket.
- *Directing customers to Area (all staff must become familiar with seating layout VIP area).
- *Ensure that non-smoking policy is upheld, by patrons within the event, back stage areas, VIP Tents etc. Please note that JEA, BYEP and BCDS staff are not allowed to smoke on duty.
- *All staff must be fully conversant with emergency evacuation procedure and fire regulations. It is vital

that stewards are familiar with all emergency exit routes throughout the Park. There will be a briefing with all staff, volunteers and Stewards before the event is open to the public

- * Maintain a safe environment for all guests and staff, supporting the work of the SIA Security Personnel.
- * Performing crowd management, access control and directional attendant duties as required/requested.
- * Stewards are responsible for the regulation of access between various parts of the venues when necessary, e.g. preventing access backstage to unauthorised personnel.
- * Staff will be required to be on duty from 6:00am until after the public have left the park unless otherwise directed by the Event Director or Assistant Director. Finishing times for the event is 8:30pm, dependent on duties flexibility is essential.
- * If Operation of a cloakroom is required in VIP Area then a steward will be selected for this duty.
- * Separate seats are provided for stewards in the event & VIP Area. These must always be used so that stewards are clearly visible.
- * Standing for prolonged periods may be necessary, depending on duties and type of function.
- * All complaints, however trivial, should be reported to the Assistant Director, Senior Security Staff and recorded in the Complaints Book.

d) The prevention of public nuisance

The organiser will be doing its best to reduce the public nuisance to the minimum by putting in place control measure such as monitoring the sound/noise continuously throughout the event to not exceed 65 dBs, make sure all the generators are diesel and silent. The neighbours will be provided with contact details, letters will be also deliver to 5,000 houses in the area, this will enable contact with the organiser throughout the event and all their concerns if any, all concern will be taken seriously and the organiser will do its best to solve any problem. The event will end at 8.30pm to reduce the public nuisance.

At our debrief on the 25 August 2016, there was no complaint about noise, we will also use a noise monitor loan to us by Birmingham City Council environmental protection unit-acoustic.

e) The protection of children from harm

The organiser has a detail lost and found children policy in place which is included in the event manual. The policy details the method for locating the parents/guardians, method for locating lost children, a facility that will be staff experienced in dealing with children and procedures for PA announcement. All the management team which includes the event organiser, security staff and 40 Stewards will work toward delivering a safe event for all participants.

It should be note that Birmingham Community Development Scheme (BCDS) and Birmingham Youth Empowerment Project (BYEP) will be managing the lost children facility because these organisations work with children daily and we are specialist in working with children and young people. Safeguarding is what we strive on for the record. BYEP is OFSTED registered.
