	Birmingham B23 6SY
Ward affected:	Erdington
Contact Officer:	Bhapinder Nandhra, Senior Licensing Officer

#### **1.** Purpose of report:

To consider the representation that has been made in respect of an application for a Premises Licence which seeks to permit the Sale of Alcohol (for consumption off the premises only) to operate from 10:00am until 8:00pm (Monday to Sunday).

Premises to remain open to the public from 08:00am until 8:00pm (Monday to Sunday).

#### 2. Recommendation:

To consider the representation that has been made and to determine the application.

#### 3. Brief Summary of Report:

An application for a Premises Licence was received on 18<sup>th</sup> November 2019 in respect of Deli Casa, 187 High Street, Erdington, Birmingham B23 6SY.

A representation has been received from other persons.

#### 4. Compliance Issues:

## 4.1 Consistency with relevant Council Policies, Plans or Strategies:

The report complies with the City Council's Statement of Licensing Policy and the Council's Corporate Plan to improve the standard of all licensed persons, premises and vehicles in the City.

## 5. Relevant background/chronology of key events:

Jiger Rashmikant Patel applied on 18<sup>th</sup> November 2019 for the grant of a Premises Licence for Deli Casa, 187 High Street, Erdington, Birmingham B23 6SY

A Representation has been received from Local Ward Councillors. See Appendix 1.

The application is attached at Appendix 2.

Site Location Plans at Appendix 3.

It should be noted that there is a special policy in force for the Erdington area. The effect of a special policy is to create a rebuttable presumption that applications for new licences or material variations to existing licences will normally be refused unless it can be shown that the premises concerned will not add to the cumulative impact on the licensing objectives being experienced.

The Council will expect the applicant to demonstrate the steps it will take to promote the licensing objectives. Where relevant representations are made, the Council will consider the application on its individual merits and decide whether to apply the special policy.

When carrying out its licensing functions, a licensing authority must have regard to Birmingham City Council's Statement of Licensing Policy and the Guidance issued by the Secretary of State under s182 of the Licensing Act 2003. The Licensing Authority is also required to take such steps as it considers appropriate for the promotion of the licensing objectives, which are:-

- a. The prevention of crime and disorder;
- b. Public safety;
- c. The prevention of public nuisance; and
- d. The protection of children from harm.

#### 6. List of background documents:

Copy of the representation as detailed in Appendix 1 Application Form, Appendix 2 Site Location Plans, Appendix 3

#### 7. Options available

To Grant the licence in accordance with the application.

To Reject the application.

To Grant the licence subject to conditions modified to such an extent as considered appropriate. Exclude from the licence any of the licensable activities to which the application relates. Refuse to specify a person in the licence as the premises supervisor. From:Councillor Gareth MooreSent:16 December 2019 15:40To:LicensingCc:Councillor Robert AldenSubject:Objection to Deli Casa, 187 High Street, Erdington, Ref: 113667Switch-MessageId:

Dear Licensing

Myself and Clir Alden wish to object to the above licensing applications on the grounds that it is contrary to the licensing objectives of Prevention of Crime & Disorder and Prevention of Public Nuisance, as well as Cumulative Impact Policy for Erdington.

Erdington High Street has long suffered from alcohol-related crime and ASB linked to the various off-licences as it encroaches street drinking. The reduction in the number of off-licences within the High Street area has led to some improvement, but issues remain. Complains continue to be received about individuals who are street drinking or are under the influence of alcohol, and this can be seen during the day as well as at night. Whilst the proposed premises will close at 8pm, this will not address issues during the day and early evening. It will also add to the cumulative impact, which is the reason why a special policy exists.

We would therefore urge the Licensing Sub-committee to refuse the proposed licence for the reasons set out above.

Cheers

Gareth

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

  Government agency or a previous employer.

- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to
  work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a
  licensable activity.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

(ii) any page containing the holder's photograph;

(iii) any page containing the holder's signature;

(iv) any page containing the date of expiry; and

(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <u>https://www.gov.uk/prove-right-to-work</u>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
