Dear Jaswant,

**Southside Contribution towards 'The Hippodrome Square' Development**

I am happy to confirm that Southside Business District Limited are prepared to contribute a total of £100,000 towards the development of 'The Hippodrome Square'.

Please note that our contribution is payable on completion of the Square, not to fund any pre-commencement works. Therefore, should the project fail to deliver for whatever reason, our investment is protected.

I trust this will suffice for your purposes. If, however, you require more information, please do not hesitate to contact me.

Your sincerely,

**James Wong**  
**Southside Chairman**
